Enchanted Farm Studio Store

At Enchanted Studio we also have our Studio Store. We offer crafts for sale by local artisans. We have baskets and rag quilt items, basket kits, rag quilt and rag bag kits and other local items.

Our store also carries the Fredericksburg Farms line of dips, grilling & BBQ sauces, salsas & quesos, jellies, bread & pancake mixes.

We are introducing the Clearbrook Farms line of fruit butters and fruit fillings, for pies, tarts, etc.

In the fall and winter we will have dried herbs and frozen farm vegetables and fruits. This usually includes such items as our frozen tomatoes, frozen cut corn and corn-on-the-cob, and other frozen vegetables that we have an abundance of during the summer. We pick it and freeze the extras daily for your enjoyment during the non-growing season.

In the fall and winter you can still enjoy our farm fresh, pesticide-free eggs for \$2.50 a dozen.

All of the above items are available at our Studio Store, which is open on Saturdays from 9AM -3PM in the spring and summer and most Saturdays in the fall and winter. You can also come visit any other time we're here on the farm. Just call 623-9304 to make sure we're here. Ask for Susan.
